

## **PILOT POT LIMITATION SCHEME ON THE CLYDE**

With support from the WCRIFG and local static gear fishermen Marine Scotland agreed that a Pilot Pot Limitation Scheme be developed.

This voluntary scheme was implemented on the **1<sup>st</sup> of September 2022 for a period of 3 years, with review.**

The table below provides details of pot limits:

### **Vessel Size Maximum Number of Nephrops Creels Permitted:**

Under 8 metres	700
Between 8 and 10 metres	1100
Between 10 and 12 metres	1400
Over 12 metres in length,	1600

### **Crab and Lobster Maximum Creels Permitted:**

**650 creels per boat.**
